

ABOUT THE EVENT

The Nigeria Outstanding Performance Awards (OSPAs) has been running for 5-years; each year has seen a growth in the number of companies and individuals who enter and attend.

Once again, the OSPAs have teamed up with [Securex West Africa](#) to deliver a virtual Thought Leadership Summit followed by the presentation of the Awards which will be streamed live on 3 May 2022.

Going 'virtual' means that many more people can join in from around the world when we will discuss important issues relevant to the Nigerian security industry and announce the winners and celebrate their success.
